Congratulations Bev!

The Bank of Montreal has a rich history in the Town of Renfrew. Initially the branch opened in 1871, under the management of Mr C E Morgan. In January 1930, the branch moved to its current location & included the main banking floor, a mezzanine and a storage vault in the basement.

Over the years the branch has been expanded & modernized, while continuing to provide the town and multiple generations of Renfrew families with banking services.

Effective April 18th, 2011, Bev Davis has been appointed Branch Manager. Bev will join a long line of branch managers who have served this community.

Bev was born & raised in Renfrew. She has been involved within the community for many years, playing an active role in Renfrew Minor Hockey, multiple school councils, coaching sports teams along with many other roles.
