Calabogie Peaks Resort, in partnership DAWG FM and sponsored by Class Axe Guitars, is hosting the first annual **Class Axe Guitars Calabogie Blues and Ribfest**, August 12-14. The musical line-up includes Johnny Max Band, David Gogo, Monkey Junk, Jesse Green Band, All Wood and the Woodsmen, Al Tambay, Wild T & the Spirit, Guitar Explosion with Steve Strongman and Paul Deslauriers. The event will be complete with a beer garden, a kids' zone with face painting and attractions, and Ribbers from across Canada and the US! Local accommodation and on-site camping will be available.

Event organizers are looking for vendors to set up shop for the duration of the festival. We are especially interested in showcasing local artisans and small-town businesses, but are open to other vendor ideas. Rentable areas will be 10 X10 ft., at a cost of only \$200 for the full week-end, electricity provided. Event organizers are anticipating attendance of 10,000-15,000 people. Don't miss out on this amazing opportunity to increase your customer base and spread the word about your business!

For more information or to book your space, please visit calabogieblues.com, or call 613-730-1019. Space is limited, and is booked on a first come, first serve basis.

New Logo Needed, WE WANT YOU to help!

The Caboose logo has long identified the Renfrew and Area Chamber of Commerce. While this is a great depiction of our community of long ago we are looking to re-brand to better reflect our business enterprise.

We would like to offer our members, the public, and our business partners the opportunity to help us do this. We are looking for a new logo. You don't have to be a graphic artist or a professional, all ideas/submissions will be reviewed and the final selection will be professionally designed. Copyright and final product will become property of the Renfrew and Area Chamber of Commerce.

Local media attention will be given to the design recipient as well as a thank you gift, which consists of \$200 cash and local business gift cards.

The contest is open August 1st to September 12th '11 and submissions can be made to 161 Raglan St. South or by e-mail to info@renfrewareachamber.ca

Networking and Education-The Chamber is host for casual social after hour's events, trade & home shows, workshops, and educational seminars throughout the year. These programs set the stage for businesses to share their products and services, build key business relationships, and learn about some great tools to help their business growth.

Money Saving Benefits- The Benefits offered by the Chamber is designed to save businesses money! These benefits include: Visa, MasterCard and Debit merchant services, group insurance and gasoline discounts and member-to-member discounts.

Marketing- There is a variety of avenues available for members to market their businesses to the chamber database. Just a few of these opportunities include: 'free submissions' to our E*Newsletter, premium web listings on our website, trade & homeshow opportunities, social hosting occasions, and more.

Advocacy- The Renfrew and Area Chamber of Commerce is the collective voice for business through advocacy. We work with community government as well as with the provincial and federal levels of government on issues of mutual concern. The Chamber speaks for the business community at public hearings, the media and behind closed doors.

The definition of a Chamber of Commerce, referenced from the Canadian Encyclopedia
