MY BROADCASTING CORPORATION - named to PROFIT 200 ranking of Canada's Fastest-Growing Companies by PROFIT Magazine

MY BROADCASTING CORPORATION - "Ontario's Local Broadcast Company" has been recognized as one of the TOP 100 companies in the 23rd annual PROFIT 200 ranking of Canada's Fastest-Growing Companies by PROFIT Magazine. Ranking Canada's Fastest-Growing Companies by five-year revenue growth, the PROFIT 200 profiles the country's most successful growth companies.

"We're extremely honoured to be included in the PROFIT 200 and to rank in the TOP 100 among such outstanding Canadian companies," said Jon Pole, President, MY BROADCASTING CORP. "This acknowledgement is a direct result of the hard work put forth by our dedicated team, our focus on the community, the importance of local radio and our business vision."

"The PROFIT 200 companies are the innovative, high-growth enterprises Canada needs to compete on the global stage," says Ian Portsmouth, Editor-in-Chief of PROFIT Magazine. "PROFIT is proud to celebrate their achievements and ambitions, and we encourage all businesspeople to learn more about the many ways they've come so far, so fast."

MY BROADCASTING CORP. was founded by Jon Pole and Andrew Dickson in 2004 with its first station in Renfrew. Currently MBC operates in strategic communities throughout Ontario with a focus on small and medium size markets. All of its markets have their own unique identities; however, all are highly desirable as four season recreation destinations, farming communities, popular retirement areas and perfect towns and cities to call "home".

The companies' strategic objective is to be the dominant local broadcast group by focusing on delivering superior customer service and exceeding the expectations of both listeners and advertisers as well as its communities and staff. MBC's goal is to invest in its team, improve the communities it serves and surpass its financial goals.

Recently, MBC radio stations in Renfrew, Pembroke, Arnprior, Napanee, Strathroy, Kincardine and Exeter were also acknowledged for positive business contributions in their communities and May 20th marked the launch of the all-new 94.1 myFM in St. Thomas, Ontario. Later this summer, MBC will launch the first local radio station for Gananoque, Ontario.
