Spring 2011

Volume 1, Issue 3

## *CONNECTIONS (www.seniorshomesupport.ca)*

### **SPRING UPDATE!**

It seems as if our wish has finally come true—that spring would arrive and stay. After the variety of weather that we have had in March and April we are ready for spring and warmer weather.

This spring has been a busy time and a time of change. Maureen MacDonald who has been with our agency for 20 years retired as of April 30. Maureen will be missed as she has brought so much to our agency: helping clients with their forms and advocating for them, running the Community Volunteer Income tax Program and looking after the business side of our agency—ensuring that we were on budget and

submitting all our reports on time. Fortunately Maureen has been planning her retirement for some time and has been able to work with Kareen, Sherry and myself to ensure that we are able to carry on the great work that she has done. Thank-you Maureen for all that you have done for our agency and we wish you all the best in your retirement and good weather so you can work in the garden.

Spring is a time when we send out a big THANK YOU to our volunteers for all that they do. To all of our volunteers, we say THANK YOU for all that you do to ensure that our local seniors and adults with disabilities have the

services that they require to remain at home—providing services, raising funds and providing governance through the board. All of us working together are able to accomplish so much more than we could individually.

A special thank-you goes out this month to the Tea Room for hosting our *Couples/Friends Night Out* in February and for making us the recipients of the proceeds of their 4th Annual Customer Appreciation Day. Your support of our agency is greatly appreciated.

I hope you enjoy our spring newsletter and that you will be able to take part in some of our upcoming events. *Judy*
