ontrac Employment Resource Services is pleased to announce that we are hosting our 2nd annual Women in Business Event this September 19, 2018 at St. John Chrysostom Parish Hall!!! Upon review of all the positive and supportive feedback from last year's event, this year's focus will be - Business Branding to be delivered by Chela Bréckon (Entrepreneur in Residence Algonquin College of Applied Arts and Technology and Owner of The Fraser View Group), as well as Business Financials (speaker to be determined). Further, we are going to start this year's event off with a bang! Rachelle Elie a local comedian, actor and entertainer will be providing an opening team building seminar that is sure to motivate through the use of laughter!

ontrac recognizes that female entrepreneurship is thriving in Arnprior, Renfrew County and the surrounding areas. We would like to celebrate with these women and provide a platform in which this entrepreneurship is not only fostered but encouraged to grow. One of the ways we are hoping to achieve this is through "Give & Get Networking"! This new and innovative networking opportunity will give attendee's the chance to offer something they are skilled in (a service, a consultation for improvement, or a product) to assist another business in its' growth, as well seek/ask for the help and support they need with their own business.

Aside from the event being completely FREE, other wonderful features to this event include entirely local food and décor, sponsored in part by local restaurants and businesses owned or operated by women. Display tables will be available for attendees to bring their business cards, give-aways and hand outs and Happy Hour is offered at the end of the event to relax and mingle over a glass of wine.

ontrac would like to thank Enterprise Renfrew County and Renfrew County Community Futures Development Corporation for their sponsorship of this event. We currently have over 70 women registered and the event is still 1 month away! If you are a woman in business or are thinking of becoming one please contact Jennifer Armstrong to register! jarmstrong@getontrac.ca. WORK. TRAIN. HIRE. GROW. with ontrac!

Hospice Renfrew is very pleased to announce their partnership with Tim Hortons Renfrew this year for the smile cookie campaign. Each year the owner, Donald Carty selects a worthwhile local charity as the recipient of the money raised during smile cookie week. This year we are very excited to be that charity.

Hospice Renfrew together with Tim Hortons hopes to sell a record number of cookies this year and our goal is 10,000 cookies in a week!! We believe that with the help of our amazing community, generous businesses and awesome staff and volunteers at both Tim Hortons and Hospice we can achieve this goal!

In order to be the best prepared and to help sell even more delicious cookies, this will be the first year that Tim Hortons Renfrew will be accepting pre-orders. This is a great idea for any of your events and for businesses. It is our hope that every business in town purchases some cookies for their staff or customers.

Please see the pre-order sheet attached and instructions on how to complete it. For orders of more than 3 dozen cookies, we will arrange delivery for you at your desired time where possible!!

Thanks in advance for your support of Hospice Renfrew. It is because of you that we can provide the **Care, Comfort and Compassion** this great community deserves!!
